Presentation Description [< 100 Words]

Applicants are also encouraged to answer the following questions:

- What new product or capability is offered commercially (in the previous 12 months)?

- How is this different from previously offered products? How does it compare to similar products offered by competitors?

- Why is this capability important?

- What problems had to be overcome to make it a reality?

- On what date was it commercially released? _____

- What is the price point for this product? *(optional)* _____

- What is the best way to get more information – stop by booth in exhibit hall, website, handouts?

Please send this application to:

Amy McGorry
ALA Member Services Manager
330 West State Street, Suite One
Geneva, IL 60134
Fax: +1.630.578.0172
